

Nordic Field Trial Network

Field Excursion – June 18. 2025

Time

Activity

06:30

Coach departs from Skejby

09:10 – 09:20

Stop Highway Exit 39, Slagelse

09:20 – 11:00

Stop Copenhagen Airport (CPH)

11:00 – 11:50

Coach journey to Borgeby

11:50 – 12:30

Lunch in Borgeby with “Hushållningssällskapet” (HS) and Nordic Beet Research (NBR)

<https://hushallningssallskapet.se/>, <https://www.nordicbeet.nu/>

12:30 – 13:50

Visit HS (Pernilla Wahlquist and Ulrika Dyrland-Martinsson) and NBR (Joakim Herrström)

HS and NBR Presentations

HS will present how HS is organised and the extensive field trial work HS conducts for itself and a number of partners. This will include a description of the trial equipment HS uses and the statistical methods and software applied.

NBR will present how it is organised, with departments in both Denmark and Sweden, and how its field trial work is structured, including the statistical methods and software used.

13:50 – 14:25 Travel to Lantmännen Svalöf

14:25 – 14:35 Coffee/Fika

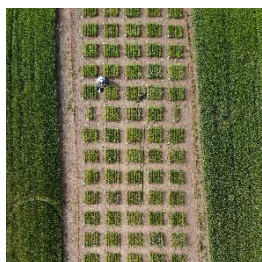

14:35 – 15:20 Visit Lantmännen (Desirée Börjesdotter)
<https://www.lantmannenseed.com>

Lantmännen Presentation

We will be introduced to the organisation, its breeding work, facilities, and how they conduct field trials and research both in the field and in greenhouses and laboratories. Lantmännen operates extensive trial areas in Sweden and abroad.

15:20 – 15:55 Travel to Nordgen, Alnarp

15:55 – 16:40 Visit Nordgen (Jan Svensson)
<https://www.nordgen.org>

Nordgen Presentation

We will be presented with the extensive experimental, development, and maintenance work carried out by Nordgen.

16:40 - 17:00 Possible travel to Borgeby to retrieve cars

17:00 – 17:50 Travel to Copenhagen (CPH)

17:50 – 18:30 Eventually stop for sandwich

18:30 – 22:00 Travel to Skejby
